BENEFITS TO OUR CLIENTS

**ESSENTIAL WATER
TECHNOLOGIES IS A
CERTIFIED WOMEN
OWNED BUSINESS**

Essential Water Technologies is pleased to announce that effective January 25, 2014 we are WBE certified with the Women's Business Enterprise National Council #2005123916.

What does this mean to our valued customers? The WBENC certification will assist your company in meeting its first and second tier diversity spend requirements.

Government and many corporations are looking to utilize WBE certified companies to increase their minority spend and help small businesses thrive.

Having WBENC Certification provides our clients' purchasing agents a means to track purchases made through a women owned company.
